Dear David:

Recently, I learned about the work that "Operation Never Forget" is doing to commemorate the lives of Americans in the Armed Forces who have made the ultimate sacrifice in service to the people of the United States. I want to take this opportunity to commend you for your efforts and those of everyone associated with your organization.

I am consistently and without fail struck by the courage, professionalism, and sense of duty demonstrated by our men and women in uniform. Their commitment to excellence rests on a solid legacy of service purchased with the sacrifices of the men and women who served before them—men and women like those you are making sure are never forgotten. I know that their families, friends and neighbors are grateful for what you are doing.

Please accept my very best wishes.

Warmest regards,

A handwritten signature in blue ink that reads "Phil Bredesen".
