Dear Ms. Karpos,

Thank you for bringing the *Operation Never Forget* program to my attention. As Governor, I applaud your efforts and am grateful to you and your organization for helping memorialize our fallen military personnel.

The service and sacrifice of our men and women in uniform is a tremendous source of pride and my thoughts and prayers are shared with those that have lost a family member in service to our country. I continue to be inspired by the strength, pride, and honor these families demonstrate.

Best wishes in your efforts to support *Operation Never Forget*.

Sincerely,
