

Department of Tennessee Marine Corps League

The Department of Tennessee Marine Corps League at its 26th Annual Department Convention in Smyrna Tennessee on 23 June 2007 determined that "Operation Never Forget" is an appropriate and noble way to honor our Fallen Heroes from the war on terror.

By a unanimous and heartfelt vote of the delegates the Department of Tennessee Marine Corps League approved supporting and endorsing "Operation Never Forget" who's mission is to build professionally sculpted bronze or marble portraiture memorial busts of every service member killed in theatre in Iraq and Afghanistan since 911, and to work with the hero's families and local communities where these heroes grew up to locate the memorials in a prominent place for public viewing.
