

## Our Project

Operation Never Forget is a national project of United Charitable Programs. UCP is a registered 501(c)(3) and a 501(a)(9) public charity, headquartered near Washington, DC

Operation Never Forget is dedicated to building bronze bust statues for the families of the brave servicemen and servicewomen of the United States Armed Services who have cut their lives short defending freedom in Afghanistan and Iraq, fighting the war on terror.

This national project was started in 2007 by the families of those lost in the war on terror, their comrades, veterans, and those with an interest in memorializing those brave men and women who answered their country's call, fought the good fight, and made the ultimate sacrifice.

*(Unveiling of LCpl. Daniel B McClenney, Shelbyville, TN)*

Quite possibly you know one of these fallen Heroes we speak of. Maybe they'er one of your loved ones, a friend, or a comrade.

Operation Never Forget would like to honor families of these Heroes with a "life like", "life size" portraiture bronze bust, right in the community where they were born, grew up as a child, went to school, got married, raised a family, and quite possible are even buried in today.

Operation Never Forget believes that their sacrifices should NEVER be forgotten, but memorialized for all generations to see. These Heroes took care of us, now it's our time to take care of them.

Least we forget their sacrifice

## Our Mission

Is to provide a source of healing to the families of those lost service members killed in action, as a result of their participation in the war on terror.

*(Unveiling of LCpl. Nathan B. Clemons, Franklin, TN)*

Operation Never Forget also wants to begin the process of building a strong alliance between the families of the fallen, the military, their community, and local and state governments.

So far, those alliances have been made in Virginia, Tennessee, Alabama, Mississippi, and Utah. Plans are currently being made to begin the process in Texas, Ohio, Georgia, and Florida.

You too can get involved by becoming a volunteer in your state. By reaching out to those you know, and spreading the word, you can help Operation Never Forget memorialize these great men and women we call Heroes.

Please visit our website at:

[www.operationneverforget.org](http://www.operationneverforget.org)

Visit our website often for information on completed memorials, those under construction and in planning. Meet the families of the fallen, and see the hometowns they represent. You can also find information on how to apply for a bronze bust, how to donate, or how to become a volunteer in your state. As you will see, we have lots of work yet to do. Won't you please help?

*To date, well over 6,000 servicemen and servicewomen have made the ultimate sacrifice fighting the war on terror.*
